NEWSFLASH

Pitch Barriers & Dugouts at IM Marsh

As part of the West Cheshire Division 1, Marshalls FC have invested heavily into the ground. Not only do we have a top team and playing surface, but we now also have the WOW! factor when you see the new look ground. Thank you to all concerned on making this possible.

If you know of a business wanting a pitch-side advertising board (£250 incl board), or to sponsor the dugouts (£500), contact Liam Deveney at liamdeveney@mac.com or Steve Grace at s.s.grace@ljamu.ac.uk.

HELLOS & GOODBYES

Everyone at Marshalls FC would like to wish the best of luck to two of our finest ever players, who have moved on to pastures new. Mateo and Mauro Pellegrino have left for Inter Milan, having given two seasons of fantastic service, with their performances always of the very highest standard. We are sure we will be hearing much more about them in the future. Good luck Mateo and Mauro; you will always be Marshalls!

We would like to thank departing Reserve team coach Eddie Bannon for both his work with the group and his tireless work with the Committee; we wish him well in his future football career.

U7 NEWS

Steve Grace and Chris Morley take charge of the youngest players in green for season 2010/11!

The Mossley Hill Tournament saw the new crop of Marshalls begin their football career and they played very well in the event, only losing out to the overall winners, Country Park, in a close 0-1 loss.

A Welcome Night for all new parents is to take place very soon. Steve Grace will inform all parents of the date, time and venue.

U8 NEWS

Tim Coates and David Powell remain at the helm of the U8s who battled against a massive amount of fixtures to take the Mossley Hill Shield in the August Bank Holiday Tournament. Well done to all who played, including a very impressive U7 (Stevie Packer) who later played again in the afternoon tournament.

Neil Delaney will be looking after the U8s Barkhill team for the 2010/11 season, with support provided by last year's coach, Jim Smith. Good luck for the new season!!!

U9 NEWS

U9s take LJMU trophy!

Well done to Daryl and the team for lifting the LJMU trophy. They were very unlucky to miss out in the final of the Mossley Hill Cup competition.

Daryl and Adam remain in charge of the U9s and are both keen to start the next campaign.

Martyn Thomas will be coach of a third team at this age group, Rosemont FC, whilst a fourth side, Vale FC, will make their league bow on Saturday 18th September 2010. A coach will be announced in the next few days so keep visiting www.marshallsfc.co.uk to find out who the lucky person is!

U10 NEWS

The summer has been a busy one for Jona's under 10s. Although no dealings in the transfer market, a couple of professional teams have been enquiring about some of the players, Well done to Will Quayle for signing for Tranmere Rovers!

On the pitch, it looked like the team may end the season perennial runners-up having finished beaten finalists in the Liam Costello Woolton Tournament. However, their fortunes changed, as they emerged victorious from the LJMU cup. Skipper Dan Harrison lifted the trophy as goals by Kieran Woodhouse and Charlie Jolley (2) gave the greens a 3-0 win.

The same tournament saw the departure of Mr Hooley. The next time some of our players see Ben, they may have to call him 'Sir', as Ben is starting his first teaching post at Calderstones school in September. Good luck Mr Hooley from all your friends at Marshalls FC!

Andy Evans takes over from Ben to coach with Jona at under 10 for the 2010/11 season. Good luck for the season Andy!

U11 NEWS

9-a-side awaits the u11s at Wavertree Park this season. Club Secretary Liam Deveney is at the helm once again as the team take on competitive league football for the first time with their uncompromising blend of total football.

Colin O'Hare will take over from Martyn Thomas as coach of Marshalls Barkhill, and Sean Gargan will make his coaching bow as with Rosemont FC.

U12 NEWS

Steve Hale and Dave Richardson enter 11-a-side football on Saturday mornings very confidently after last season's success. To build upon their strong foundations, Steve, ably-assisted by Peter Blackburn and Neil Prendergast, will be entering a team in the Merseyside and Halewood League Sunday league. Good luck to you all!

U14 NEWS

Club Chairman Ken Wagner and Danny Yates take over the u14 age group and have already strengthened the squad after the departure of a handful of players.

U15 NEWS

Phil Lewtas stays in charge of the u15s as they march close to youth football and will once again be one of the main challengers in their respective league. After an impressive pre season Phil said: "The lads are rearing to go. It's only a matter of time before this group finish on top of the table."

Roy Cook continues with his under 15s side and we welcome him back into the fold. Best wishes for the season Roy!!!

YOUTH TEAM NEWS

Ryan Jago has taken over the Youth team after the departure of Billy Roan. It has been a difficult start to the campaign as Ryan has been coaching in the USA for the summer and we have, sadly, lost some of the double winning U16 team from last year. Having said that, the team are very strong and are tipped to do very well this season. A first win of the season over Widnes Town last Monday has injected some much-needed confidence into the squad.

RESERVE TEAM NEWS

Jamal Dermot and no. 2 Neil Standish have taken over the now West Cheshire Reserve team. We would like to thank our outgoing coach Eddie Bannon for his work with the group and for his tireless work with the Committee; we wish him well in his future football career.

Jamal has taken on a lively group and has already proven that he will be an asset to the club with his no-nonsense approach and vast experience. The start of the season has seen a mixture of results including some very impressive wins at Runcorn Linnets and home to Hale Res.

FIRST TEAM NEWS

After gaining promotion to division one of the West Cheshire league at the first attempt, the First team have kept their high tempo attacking style of play. Although playing good football, the first set of results did not go our way after missing some good chances, but fortunes have turned after gaining six points from two home games against Ellesmere Port and Marine Res respectively. A brace in each game saw Sean Robinson take the Man of the Match award in both games.
